

HOUR PROFESSIONALS

Star Plastic Surgery®

Complete Surgeries of Face and Body for Women and Men

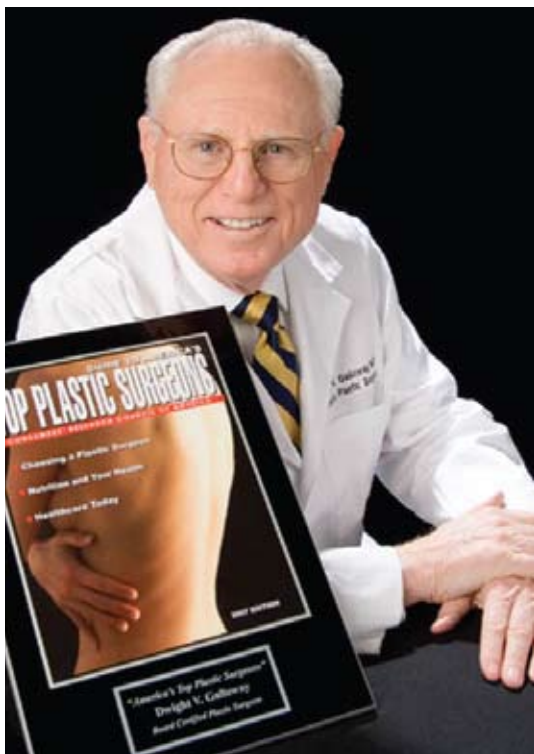

If You Think That All Plastic Surgeons Are The Same... Think Again!

The surgeons at Star Plastic Surgery® have completed their training in general surgery as well as an additional residency or fellowship in Plastic/Reconstructive Surgery. They are Board Certified or Board Eligible in Plastic and Reconstructive Surgery.

Our surgeons have surgical privileges for all cosmetic procedures at the area's finest hospitals and have successfully performed all of the surgeries offered.

- Our mission is patient satisfaction by achieving the most successful surgical result.
- Virtually all surgeries are performed in a hospital to assure your safety and comfort.
- Complimentary overnight stay with many procedures.
- Free consultation.
- Financing is available.

Dwight V. Galloway, M.D., Medical Director

Dwight V. Galloway, M.D., Medical Director

Dwight V. Galloway, M.D. is certified by both the American Board of Surgery and the American Board of Plastic Surgery. He is a member of the American Society of Plastic Surgeons and the American Society for Aesthetic Plastic Surgery. He was a member of the Sigma Alpha Epsilon Fraternity and is an active member of the Phi Rho Sigma Medical Fraternity.

Dr. Galloway received his medical degree from the University of Michigan. His internship was at King County Hospital in Seattle, Washington and his residency in General Surgery was at the VA Hospital in Los Angeles, California. He also had a residency in Plastic Surgery at the UCLA Medical Center with a European Fellowship in Reconstructive and Hand Surgery. He was a Commander at the U.S. Naval Hospital in Oakland, California and a Training Officer for surgeons in Plastic, Reconstructive and Hand Surgery. Dr. Galloway has performed more than 20,000 cosmetic surgical procedures of the face and body.

America's Top Plastic Surgeons

Dr. Galloway is included in the Guide to America's Top Plastic Surgeons, 2007 edition by the Consumers' Research Council of America in Washington D.C., which evaluates professional services throughout America. The selection process is based on a point value system that awards points for education, years of practice, and affiliations with professional associations. No fees, sponsorships, donations, or advertising are accepted from physicians, professional practices, medical treatment facilities, or hospitals to insure an unbiased selection.

Diana Lambie, D.O.

Dr. Diana Lambie, D.O. received her undergraduate degree at the University of Michigan. She received her medical degree from Des Moines University of Osteopathic Medicine and went on to complete her general surgical training with a five year residency at Botsford General Hospital in Farmington Hills, Michigan.

Dr. Lambie completed her two year fellowship in plastic and reconstructive training in Philadelphia and New York City with world renowned plastic and reconstructive surgeons.

Dr. Lambie is a fully trained plastic and reconstructive surgeon who has completed more than 1,500 procedures, is credentialed, and practices at several Detroit area hospitals including Henry Ford Hospital and Botsford General Hospital.

A dedicated mother, surgeon and wife, Dr. Lambie is committed to providing an attentive and caring approach to her patients. Dr. Lambie is a bright ascending star in plastic surgery.
